Registration & Check Out

- Registration: Friday December 4th 7:15PM to 9:30PM. Resumes on Saturday December 5th 7:00am to 9:00am
- **To show Exhibitors must be fully paid-up members of the ACFA. Membership runs from Jan 1st to December 31st each year.**
- All birds must be checked in and benched by Saturday 9:00AM
- Judging commences at 9:30AM
Check out of the birds after the show, is not allowed until the President has given the okay to do so.
- All members will be expected to box their own birds at the end of the show.
- When all birds are boxed, all exhibitors and officials are asked to assist with take down and removal of the show staging.
- If you do not wish to stay after the show, there is a \$10 clean up fee to be paid when registering. If you wish to pay this fee you will be allowed to leave once everyone has their own birds.
- **WHEN ALL THE STAGING HAS BEEN PACKED UP, ALL MEMBERS WILL BE GIVEN**

Sale Tables Available

\$50 for a 6 ft. table

You CAN split tables.

No member owned tables will be allowed.

If emailing, please put "ACFA Show" in subject line.

ABOUT PRESIDENT – Sam Kouhkan

Meet our President – Sam Kouhkan

This past year has been my first year as serving as the president of ACFA, though my passion for breeding canaries has been a lifelong pursuit. I feel incredibly fortunate to have been able to learn from the experienced and dedicated breeders here in Southern

California. Last year, we were proud to host one of our most successful shows since the Covid shutdown. A highlight of this achievement, was our collaboration with the cockatiel, budgie, and finch clubs. The joint event was a tremendous success, and we look forward to building on this partnership in the years to come. Together with our members, I remain committed to enhancing and expanding our show. We warmly invite clubs from neighboring states to join us also, to attend our events, and be part of something we hope will continue to grow stronger, united by our shared passion for these remarkable birds.

Lunch At Our Annual Show

2 Slices of Pizza and a can of
soda/pop for \$12.00
That's a Deal!

If you are entering birds for the show, you can pay for lunch at the same time. If you are just coming to watch and want lunch, you can pay directly to the Club's treasurer, Ali Balout.

ACFA HOTEL INFORMATION

These days, most hotels do not accept any animals in rooms. You can drop off at the show hall after 7:15PM on Friday December 4th. The show hall will be open till 9:30PM on Friday You can just drop the birds off, or you can set up your birds and have everything done for Saturday morning! The show hall opens up at 7:00AM on Saturday morning. All bird must be benched by 9:00am. Judging starts at 9:30AM.

More on After Show Dinner Information

**We need to have a head count of the
number of people who will be
attending the After Show Dinner**

Deadline for letting us know that you will
be attending is November 21, 2026

Send your confirmation to
Alan Dean at
alandean1997@hotmail.com

Attendees will order their own dinner
from the restaurant's menu and will
need to pay for their own meal.

American Canary Association Show Rules

This is a Members Only Show but visitors are very welcome to attend & learn about the canary fancy. Non-members may become members at the show to enable them to exhibit birds the same day at the show.

There is a cost of \$5.00 for each bird entered into competition.

Separate entry forms are required for each Division of birds entered into the show. Fasten show tags to the LOWER LEFT CORNER of the show cage. A mini drinkers should be placed on the right-side front of all the show cages. A few mini drinkers will be available for use on a loan basis.

ACFA advocates the use of regulation show cages whenever possible, but non-regulation cages are permitted when appropriate cages are not available. Cages must have water in a mini-drinker or & roller canary seed mix on the cage floor. Cage trays may be fixed in place with black tape only. We recommend that insecure doors on cages be secured discreetly with black tape as well. No cage should be marked in any way that brings attention to it. Roller seed & water will be available for your use. If needed, black tape will be available at the registration desk, with the head steward and the head secretary. No cards, signs, or display advertising will be allowed on or about the show cages before judging.

Prior to the show, any Board member or steward may assist with classifying birds. Once the birds have been submitted for competition, the judge for the Division must do any additional reclassifications. Stewards are charged with the task of searching out misplaced birds. During the show, handling of the birds and cages is permitted by the stewards or judges only. During the show, exhibitors and guests are asked to remain outside the staging area for the birds. Seating is available for exhibitors and visitors to view the judging. After judging is complete, everyone may enjoy viewing all the birds, ***but not before judging is completed.***

ACFA reserves the right to make such changes as deemed best to add to, combine, or cancel existing classes if only one or two birds are entered in a class or section. Classes of one bird must be to standard to receive awards.

(Show Rules continued on next page. . .)

The registration form must state the band number of each bird entered. Forms will not be accepted by the registrar unless the band number for each bird is entered on the registration form.

All birds will be judged by the National Standards for the variety by an authorized judge using either natural, or fluorescent light simulating natural light. All birds in the Young Class must have closed bands showing the year hatched. Birds with open bands or not banded will be shown in the Old Class of the appropriate section. **In order to win, birds must be banded with closed bands and the exhibitor must have banded the bird.** Type birds are judged by comparison to the standard method: colorbred birds are judged by the point system.

Full Discretionary power is given to the judges to withhold any or all prizes for want of merit.

Judges are free to enter birds in competition but, neither judge nor household members, nor partners of the judge, may exhibit birds in that judge's section.

No bird entered into competition may be removed from the showroom before the published checkout time on Saturday, Awards will be presented Saturday after the show and before the show hall is disassembled. All exhibitors are expected to help with disassembling the show hall after the show.

Management will not be responsible for any loss or damage to exhibits on the way to, from or during the show, but will assume diligent care while in possession of the birds exhibited. The stewards will see that the birds are properly staged and watered during the show.

Club members are welcome to bring sale birds for sale on show day. All persons selling birds must be ACFA club members. Tables for bird sales are available at a cost of \$50 per table. Tables may be shared by more than one member. Members selling birds are asked to issue a sales receipt to avoid confusion at checkout. Individuals buying birds must have a sales receipt when exiting. For ease of selling birds, the owner's name, variety of canary and sale price of the birds should be placed on each sale cage.

- **To show Exhibitors must be fully paid-up members of the ACFA. Membership runs from Jan 1st to December 31st each year.**

**Exhibitors should pay special attention to these
4 items:**

- **Disqualifying Conditions for Birds:** Injured or sick, Wheezing and/or Labored Breathing, Nasal Discharge & Fluffed Feathers. For the safety of all birds, sick birds should be left at home. Judge or Show Manager's decision concerning ill or injured birds is final.
- For purposes of this show: A novice is someone who has been showing birds for less than 3 years and has never had a Divisional win. After 3 years, an exhibitor will no longer be considered a Novice. Novice birds will compete with the entire population of canaries and then novice birds will compete among each other for the novice awards. Novices show tags must be marked "N" in the appropriate space in order to be considered for the novice awards.
- For everyone's comfort, exhibitors should be aware that there should be no private conversations with the judge prior to judging.
- To avoid problems at check out with purchased birds, be sure to ask seller for a receipt.
- **To show Exhibitors must be fully paid-up members of the ACFA. Membership runs from Jan 1st to December 31st each year.**

Important Show Info in Brief!

- Exhibitors may enter birds that they have raised and banded. Exhibitors may not enter birds that they have purchased. Division winners will be checked for ownership. If a winning bird is a purchased bird rather than one raised and banded by the exhibitor, the award will go to the second-place bird.
- Anyone wanting advance show tags and registration forms, request them by emailing or phoning Fidel Mendez – fidelito0821@gmail.com or (714)-341-9445
- Exhibitors can drop off birds at the hall on Friday December 4th, 7:15PM to 9:30PMPM or Saturday December 5th, from 7:00AM to 9:00AM. It makes for a much easier Show morning if birds are in on Friday night. This service is available for those living in the LA area as well as those traveling to the show.
- The Tony Bucci award is a perpetual trophy awarded to the exhibitor with the most Division wins. No one will know who wins until the awards are given!
- No birds may leave the hall before the Awards are given at the end of the show without the express permission of the club president.
- All exhibitors are expected to help with tearing down the show benches and returning the hall to its clean original condition after the awards are given. Jose Soto will direct the tear down.
- Assistance is needed in disassembling the show benches, carrying parts to the trailer for loading, breaking down and moving tables, sweeping and organizing. Exhibitors are expected to help to the limits of their physical abilities.

Meet the Judges

**Rudy Diehl – Oklahoma
Type Judge**

I immigrated to the US from West Germany in 1978 and currently live in Oklahoma with my wife of 35 years. We have a daughter and two grandsons. I am a fourth-generation bird enthusiast and started exhibiting at a very young age. After settling in Tulsa, I started raising Glosters, Fifes and Lizard canaries. A short time later I expanded into Stafford, Border, and Old Varieties

Canaries. I have served as president for three Canary clubs. I was a National Board member for many years and currently hold an honorary membership. I have judged Staffords and Fifes in previous years at the National Show. It is an honor, for me to be judging your birds. I look forward to meeting everyone and wish all of the exhibitors, good luck

**Angelo Cremone – Italy
Old Variety Judge**

Angelo is an internationally recognized Italian breeder and judge specializing in **Frisled Canary breeds**. A second-generation breeder, he inherited his passion and expertise from his father, who introduced him to the world of canary breeding at a very young age. Over the years, He has dedicated himself to the selection, genetic refinement, and competitive excellence of Frisled Canaries. His aviary is widely regarded as one of the most titled and internationally recognized Frisled Canary breeding establishments in

the world. Since 2019, he has served as an official judge for the Italian Ornithological Federation (F.O.I.). Even prior to his official appointment, he had already been invited to judge prestigious international club shows outside Italy. Since 2025, he has been an OMJ (World Ornithological Judges Association) Judge.

Manuel Cardena Teno – Spain Colorbred

He has spent his entire life dedicated to ornithology, since he began breeding birds in 1985, being a national breeder since 1999. He has been a national judge of colorbred since 2006 and an OMJ/COM International Judge since 2011. As a breeder he has participated in the Spanish Championships of Dos Hermanas, Valencia, Almeria, Ciudad Real, Antequera, Seville and Albacete, winning more than 50 medals in the aforementioned Spanish championships. He has won medals at national and world

championships with the following varieties of colored canaries: Black Red Mosaic, Black Deep Red, White Agate, Red Mosaic Agate, Isabela Red Mosaic, Topaz Agate, Grey Wings, Onyx Black, Deep Red Cobalt Black, Cobalt Black Red Mosaic etc. As a Judge he has judged in numerous national, world and international championships.

We are incredibly grateful to our members & Corporate sponsors for their generous donations to this year's bird show. Your support keeps our flock flying!"

A New Digital Lighting system for your bird room
Made in the USA

The graphic is a vertical rectangle with a light gray background. At the top center is a simple line-art icon of a lit lightbulb. Below it, the word "LightFusion" is written in a large, bold, black sans-serif font. Underneath the brand name, the text "FULLY PROGRAMMABLE LIGHTING CONTROL SYSTEM" is written in a smaller, all-caps, black sans-serif font. Below that, in an even smaller font, is the phrase "Tried and tested by experienced bird breeders". In the center of the graphic are two devices: a tablet on the left and a smartphone on the right. Both screens display a user interface with the title "Lights" at the top. The tablet screen shows two sliders, each with a lightbulb icon and the label "Bird Lights" and "Bird Light" respectively. The smartphone screen shows a similar interface with one slider labeled "Bird Lights" and another labeled "Bird Light". Below the devices, the text "Order Now:" is centered, followed by the website "Aviaryneeds.com" in a bold font. At the bottom, the contact information "Contact: +1 (216) 505 3891" and "Email: support@aviaryneeds.com" is centered.

LightFusion – Smart Bird Room Lighting Control
\$299.99–\$399.99

Bring natural light cycles into your bird room with **LightFusion**, the smart lighting controller designed specifically for avian care. Whether you choose the touchscreen model or the compact Wi-Fi version,

LightFusion makes it easy to keep your birds happy and healthy.

American Canary Fanciers Association

Band Order Form for Year: _____

Band Information

The American Canary Fanciers Association provides its members with closed traceable serialized leg bands for their birds. The Band Secretary will track all band numbers and provide information as to the Breeders assigned to each group of number when requested.

There will be no individualized breeder identification on the bands. This helps to provide security for each breeder and makes the bands much easier to read as there is less information printed on each band. What appears on each band is the Club's initials "ACFA" and a serial number.

Please Note: Membership dues MUST be current before bands will be shipped.

A shipping/handling fee charge of \$8.00 needs be added to the cost of the bands below for shipping/handling. **Bands will not be shipped if \$8.00 shipping/handling cost is not added to total amount.** Please allow enough time for processing/mailling.

Members need to contact Band Secretary (rattamer3478@gmail.com) to check on availability.

Quantity Examples: Price: 25 = \$12.50: 50 = \$25.00: 75 = \$37.50: 100 = \$50.00:

Please note that bands are sold in sets of 25 only
