Band Order Form for Year: _____

Band Information

The American Canary Fanciers Association provides its members with closed traceable serialized leg bands for their birds. The Band Secretary will track all band numbers and provide information as to the Breeders. There will be no individualized breeder identification on the bands. This helps to provide security for each breeder and makes the bands much easier to read as there is less information printed on each band. What appears on each band is the Club's initials "ACFA" and a serial number. Please Note: Membership dues MUST be current before bands will be shipped. **A shipping/handling fee charge of $10.00 needs to be added to the cost of the bands below. Bands will not be shipped unless shipping fee is not included in total.** Please allow enough time for processing/mailing. You can request the bands be brought to the monthly meeting and no shipping/handling charge will be added.

Members need to contact Band Secretary below to check on availability.
