Registration & Check Out

- Registration begins 7:00pm on Friday December 8th until 9:00pm and resumes on Saturday December 9th at 7:00am.
- All birds must be benched by Saturday 9:00am
- Judging commences at 9:30AM
Check out of the birds after the show is not allowed until the President given the okay to do so.
- All members will be expected to box their own birds at the end of the show.
- When all birds are boxed, all exhibitors and officials are asked to assist with take down and removal of the show staging.
- When all staging has been packed, all members will be given the okay to leave for home or to proceed to the Sol Inka Restaurant to celebrate and make plans for next year.

Sale Tables Available

\$50 for a 6 ft. table

You CAN split tables.

Contact Mary Anne Buckles @

If emailing, please put "Canary" in subject line.

ABOUT PRESIDENT - Martin Valdez

Meet our President - Martin Valdez

Martin has always loved birds. He started early at the age of six with pigeons, doves, chickens, ducks, geese and finally settled on canaries. When he started in birds, he knew absolutely nothing. He used to have a huge flight where all his birds lived together.

Martin joined the ACFA in 2008 and a whole new world of bird information opened up for him. He truly believes that the members of ACFA are a gold mine of information. Everything he knows about birds, he owes to the members of ACFA.

Martin attended DeVry university with a major in computer electronics. With diploma in hand, he started working for Boeing. He has since moved on and now works for Northrop Grumman, which sometimes requires him to be away from his family for up to a month.

Martin is married to his lovely wife, Maricela, who is a fantastic Mexican food cook. They have four children, Martin Jr., Noemie, Catherine and Isabella. A lot of you know his children as they have attended many of our annual shows. They could be found helping their dad or anyone at the show.

Martin is truly grateful for all the knowledge he has been given so that he can enjoy breeding and showing his Fife, Spanish Timbrados, Glosters and Lady Gouldian Finches.

The National Bird Show
wishes the
American Canary Fanciers Association
a great 41st Annual Show
The NBS would like to thank the members
of the ACFA for their continued support
and contributions to the NBS throughout
the years.

Please plan to attend the 75th National Bird
Show to be held
at the The Jacob Building, Chilhowee Park
3301 East Magnolia Ave
Knoxville, Tn 37914
November 9-12, 2023

For more information, please visit our
website and click on
2023 National Bird Show Information.

Sleep Well . . .
You AND your
Birds!

After the Show is the...

ACFA After Show Dinner

Kick back, talk about what happened,
chat-up the winners and the judges,
re-live, laugh again and love the show!

Directions:

From church show hall parking lot: Go right on Miller Rd, then turn left to stay on Miller Rd. Turn right onto Arroyo Dr, then you will turn left onto Leffingwell Rd. You will then turn right onto La Mirada Blvd. Use the left 2 lanes to turn left onto Imperial Hwy. Go past Starbucks on the right and Sol Inka restaurant is on right.

When the show is over, awards will be distributed at the show hall. Then the hall will be taken down and bird show stands loaded up. We will reconvene at the Sol Inka restaurant, which is only a little over 2 miles from the show site.

15720 Imperial Hwy.
La Mirada CA 90638
(562) 902-8299

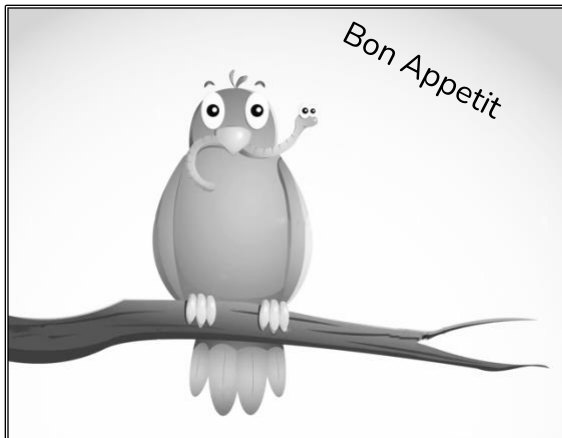

More on After Show Dinner Information

**We need to have a head count of the
number of people who will be
attending the After Show Dinner**

Deadline for letting us know that you will
be attending is November 26, 2023

Send you confirmation to
Alan Dean at
alandean1997@hotmail.com

Attendees will order their own dinner
from the restaurant's menu and will
need to pay for their own meal.

American Canary Association Show Rules

This is a Members Only Show but visitors are very welcome to attend & learn about the canary fancy. Non-members may become members at the show to enable them to exhibit birds the same day at the show.

There is a cost of \$3.00 for each bird entered into competition. ***Separate entry forms are required for each Division of birds entered into the show.*** Fasten show tags to the LOWER LEFT CORNER of the show cage. A mini drinkers should be placed on the right side front of all the show cages. A few mini drinkers will be available for use on a loan basis.

ACFA advocates the use of regulation show cages whenever possible, but non-regulation cages are permitted when appropriate cages are not available. Cages must have water in a mini-drinker or & roller canary seed mix on the cage floor. Cage trays may be fixed in place with black tape only. We recommend that insecure doors on cages be secured discreetly with black tape as well. No cage should be marked in any way that brings attention to it. Roller seed & water will be available for your use. If needed, black tape will be available at the registration desk, with the head steward and the head secretary. No cards, signs, or display advertising will be allowed on or about the show cages before judging.

Prior to the show, any Board member or steward may assist with classifying birds. Once the birds have been submitted for competition, the judge for the Division must do any additional reclassifications. Stewards are charged with the task of searching out misplaced birds. During the show, handling of the birds and cages is permitted by the stewards or judges only. During the show, exhibitors and guests are asked to remain outside the staging area for the birds. Seating is available for exhibitors and visitors to view the judging. After judging is complete, everyone may enjoy viewing all the birds, ***but not before judging is completed.***

ACFA reserves the right to make such changes as deemed best to add to, combine, or cancel existing classes if only one or two birds are entered in a class or section. Classes of one bird must be to standard to receive awards.

(Show Rules continued on next page. . .)

The registration form must state the band number of each bird entered. Forms will not be accepted by the registrar unless the band number for each bird is entered on the registration form.

All birds will be judged by the National Standards for the variety by an authorized judge using either natural, or florescent light simulating natural light. All birds in the Young Class must have closed bands showing the year hatched. Birds with open bands or not banded will be shown in the Old Class of the appropriate section. **In order to win, birds must be banded with closed bands and the exhibitor must have banded the bird.** Type birds are judged by comparison to the standard method: colorbred birds are judged by the point system.

Full Discretionary power is given to the judges to withhold any or all prizes for want of merit.

Judges are free to enter birds in competition but, neither judge nor household members, nor partners of the judge, may exhibit birds in that judge's section.

No bird entered into competition may be removed from the showroom before the published checkout time on Saturday, unless they have received an approval signature from the President. Awards will be presented Saturday after the show and before the show hall is disassembled. All exhibitors are expected to help with disassembling the show hall after the show.

Management will not be responsible for any loss or damage to exhibits on the way to, from or during the show, but will assume diligent care while in possession of the birds exhibited. The stewards will see that the birds are properly staged and watered during the show.

Club members are welcome to bring sale birds for sale on show day. All persons selling birds must be ACFA club members. Tables for bird sales are available at a cost of \$50 per table. Tables may be shared by more than one member. Members selling birds are asked to issue a sales receipt to avoid confusion at checkout. Individuals buying birds must have a sales receipt when exiting. For ease of selling birds, the owner's name, variety of canary and sale price of the birds should be placed on each sale cage.

**Exhibitors should pay special attention to these
4 items:**

- **Disqualifying Conditions for Birds:** Injured or sick, Wheezing and/or Labored Breathing, Nasal Discharge & Fluffed Feathers. For the safety of all birds, sick birds should be left at home. Judge or Show Manager's decision concerning ill or injured birds is final.
- For purposes of this show: A novice is someone who has been showing birds for less than 3 years and has never had a Division win. After 3 years, an exhibitor will no longer be considered a Novice. Novice birds will compete with the entire population of canaries and then novice birds will compete among each other for the novice awards. Novices show tags must be marked "N" in the appropriate space in order to be considered for the novice awards.
- For everyone's comfort, exhibitors should be aware that there should be no private conversations with the judge prior to judging.
- To avoid problems at check out with purchased birds, be sure to ask seller for a receipt

Important Show Info in Brief!

- Exhibitors may enter birds that they have raised and banded. Exhibitors may not enter birds that they have purchased. Division winners will be checked for ownership. If a winning bird is a purchased bird rather than one raised and banded by the exhibitor, the award will go to the second-place bird.
- Anyone wanting advance show tags and registration forms, request them by emailing or phoning Mary Anne- - mabuckles2@hotmail.com or 562-533-4810.
- Exhibitors can drop off birds at the hall on Friday December 8th from 7:00 to 9:00PM. It makes for a much easier Show morning if birds are in on Friday night. This service is available for those living in the LA area as well as those traveling to the show.
- The Tony Bucci award is a perpetual trophy awarded to the exhibitor with the most Division wins. No one will know who wins until the awards are given!
- No birds may leave the hall before the Awards are given at the end of the show without the express permission of the club president.
- All exhibitors are expected to help with tearing down the show benches and returning the hall to its clean original condition after the awards are given. Jose Soto will direct the tear down.
- Assistance is needed in disassembling the show benches, carrying parts to the trailer for loading, breaking down and moving tables, sweeping and organizing. Exhibitors are expected to help to the limits of their physical abilities.

Unique ACFA Trophy

Meet the Judges

Charles Long: Chuck has been raising birds for over fifty years, now. Chuck started with red ground color-bred canaries and later started raising Type canaries. Chuck has raised Fifes, Borders, Glosters, Norwich and some Frills.

He eventually settled on Glosters as his main bird and has produced many award winning birds, winning at local shows and at the National Show. At the National Show, he has won two Kellogg awards one Higgins award and three Scannell awards for the best bird in show.

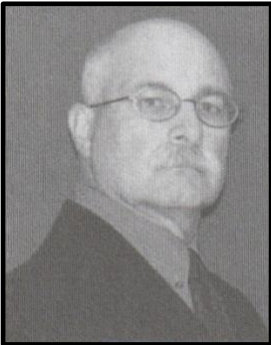

Alfonso Ruiz: I grew up in Vega, a suburb of Amarillo, Texas and moved to Anaheim, California in 1973. My mother and I kept canaries for as long as I can remember. Once in Anaheim, I started getting involved with all the birds clubs. I attended the very first AFCA meeting,

but before that I used to go to the New Color Canary Club. Currently, I am breeding Parisian Frills, Northern Dutch, Southern Dutch, Gibber Italicus, Gibosos, Giraldito, Florino, Glosters, Norwich, Belgians, Lancashire, Columbus, and Hartz.

Albert Zomer: He is from the Netherlands and started in birds in 1972. He has bred & maintains many breeds of Color and Type canaries. Since 1975, he has been a member of the Nederlandse Bond van Vogelliefhebbers (NBvV), the biggest breeders organization in the Netherlands and probably in the

world. He has had numerous judging assignments both Nationally & Internationally, including judging colorbreds, at a C.O.M. show. He is very involved in the workings of National & International organizations. In 2019 he was elected Vice President of the CD Confederation Ornithologic Mondiale COM and retains that position currently. Since 2022 he has also held the position of President of the Central Management NBvV.

Jerry Zak: I have been involved in raising and exhibiting canaries for over 40 years, One aspect I've thoroughly enjoyed about the hobby is having met many excellent breeders and making some very good friends along the way. I have been a certified Colorbred Canary judge for almost thirty years. During that

time, I have had the pleasure of judging at various shows throughout the United States and Canada. I currently breed and exhibit Colorbred canaries in Lipochrome, Classic Melanin, and New Color Melanin. During the past 29 years I have had the pleasure of judging at various shows throughout the United States and Canada. Thank you for the opportunity to judge your birds.

Bird Show Schedule

Friday December 8th

- * 7:00pm Show Hall set-up until it's finished

Saturday, December 9th

- * 7:00am Show Hall opens for workers
- * 7:30am Show Hall opens for bird check-in
- * 9:30am Judging begins.
- * 4:00pm appx. Winners announced
- * 5:00pm appx. Everyone cleans up & check-out
- * 6:00pm appx. Dinner at Sol Inka restaurant.

IT'S SHOWTIME !

Changes in Show Divisions at the ACFA Show!

Every canary show is different. Our club keeps track of all the numbers of birds and the number of exhibitors in each division. We have noted that some divisions increased the number of birds shown while others have declined in numbers. Perhaps it is popularity of the birds, availability of the bird, or difficulty in breeding them. Regardless of the reason, ACFA decided in 2014 to declare a minimum number of birds for a division to remain a division, **That number of 15 birds for 2 consecutive years** need to be benched in a division for it to remain a division by itself. The following are the number of birds benched in each division for the last 3 years.

	2017	2016	2015	2014
Division 1 - Border	16	27	17	21
Division 2 - Gloster	73	57	78	53
Division 3 - Yorkshire	23	25	3	1
Division 4 - Norwich			7	10
Division 5 - Columbus			12	9
Division 6 - Stafford	17	24	16	21
Division 7 - Other Type	18	19	14	14
Division 8 - OV-Frill	11	24	48	31
Division 9 - OV-Non-Frill	24	19	19	19
Division 10 - Fife	40	27	27	39
Division 11 - Lipochrome	117	129	150	144
Division 12 - Melanin	33	20	12	48
Division 13 - Melanin NC	37	23	23	17
Division 14 - Colorbred Team	2	9		

A Division must maintain a minimum of 15 birds to remain an individual canary division. Due to lack of numbers Division 3-5 were combined in the 2015-2016 shows. Division 7 is on probation, if numbers do not increase, Division 7 will be combined with Yorkshire, Norwich and Columbus Fancy.

Division Organization for the ACFA Show

Division 1--Border

Division 2--Gloster

Division 3--Fife

Division 4--Yorkshire, Norwich and
Columbus Fancy

Division 5--Stafford

Division 6--Other Type

Division 7--OV- Frill

Division 8--OV- Non-Frill

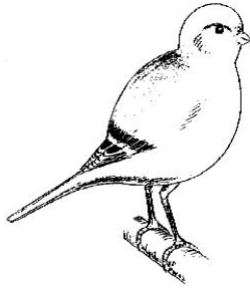

Division 9--Lipochrome

Division 10--Melanin

Division 11--Melanin New Color

Division 12--Color Bred Team

DIVISION 1 ~ BORDER FANCY

Young	Section 1	Old
01	Yellow clear or ticked	02
03	Buff clear or ticked	04
05	White clear or ticked	06

FULL RELEASE OF ALL CLAIMS

In consideration of my participation in the AMERICAN CNARY FANICERS ASSOCIATION and any and all of its events, I the undersign, intending to be legally bound for myself, my heirs, executors and administrators do hereby fully and finally waiver, release and hold harmless, the AMERICAN CANARY FANICERS ASSOICATION and their respective directors, officers, employees, members, agents, and assignees, from any all responsibility, claims, causes of action, injuries, judgement, or other damages of any nature whatsoever, including but not limited to, any personal injures I might suffer, directly or indirectly, resulting from my participation in , or travel to and from the aforesaid activity. By signing below, I swear that I am 18 years of age or old and will accept the by-laws and terms and conditions of membership and have read the Articles of Incorporation. I acknowledge that I am engaging in the aforesaid activity and knowingly executing this release, at my insistence, and request, that I voluntarily do so without coercion whatsoever, Note: you may wish to print a copy of the by-laws for further reference. By signing you acknowledge that you have also read the ACFA By-laws.

SIGNATURE: _____ DATE: _____

American Canary Fanciers Association
Band Order Form for Year: _____

The American Canary Fanciers Association provides its members with closed, traceable, serialized leg bands for their birds. The Band Secretary will track all band numbers and provide information as to the Breeder.

There will be no individualized breeder identification on the bands. This helps to provide security for each breeder and makes the bands much easier to read as there is less information printed on each band, What appears on each band is the Club's initials "ACFA" and a serial number.

Please Note: Membership dues MUST be current before bands will be shipped.

A shipping/handling charge of \$6.00 will be added to the cost of the bands if shipping is requested. **Bands will not be shipped if shipping charged not paid.** Please allow enough time for processing/mailling. You can request the bands be brought to the show and no shipping/handling charge will be added.

Members need to contact the Band Secretary below to check on availability.

Quantity Price: 25= \$10.00: 50= \$20.00: 75= \$30.00
100= \$40.00

Please note that bands are sold in sets of 25 only

Send me ___ 3.2mm bands ___ 3.4mm bands (larger birds)
